

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

ARIZONA

Arizona Department of Commerce, Energy Office

REBATES AVAILABLE

Rebate reservations began on April 12, 2010. Arizona is still accepting waitlist applications for clothes washers. All other product reservation lists are closed. Before making a purchase, confirm funding and requirements at www.ArizonaRebates.com or by calling 1-877-307-5336.

HOW TO APPLY

Consumers must obtain advanced reservation application forms by visiting the Arizona rebate Web site. Purchaser must supply a home address—no P.O. boxes. Rebate forms must be completely and accurately filled out and accompanied by proof of purchase. Consumers must also self-certify that the new unit replaced an existing appliance. Arizona encourages residents to recycle the old appliances.

Consumers must mail their completed rebate form and proof of purchase within 30 days of the rebate reservation date. Rebates will be issued to consumers 8 to 10 weeks after mailing an application packet. Rebates will be paid on a first-come, first-served basis. First-come, first-served status will be determined by the date the application arrives at the rebate fulfillment center.

Additional information will be provided on the Arizona rebate Web site as it becomes available.

For more information: www.ArizonaRebates.com or by calling 1-877-307-5336.

ELIGIBILITY

Eligibility limited to Arizona residents. Rebates are only available for the replacement of existing units with new qualifying appliances. Products must be delivered to and installed in a residential property in Arizona. Purchase must be made at an Arizona retail location. Limit one rebate per product type per household. Rebates will be awarded on a first-come, first-served basis until the allocated program funds are depleted.

Purchase must be made during the rebate offer period. Only ENERGY STAR qualified dishwashers, clothes washers, and select hot water heaters at the stated rebate levels are eligible. Qualifying units must be listed on the ENERGY STAR Web site at www.energystar.gov. Business customers and business installations are not eligible for rebate(s).
